Bangalore, Karnataka, India

PROFESSIONAL SUMMARY

Motivated and detail-oriented Electronics and Communication Engineering undergraduate with a strong interest in Software Development. Skilled in Java, HTML, CSS, JavaScript, Web Development, with hands-on experience building web-based and IoT projects. Passionate about problem-solving, application development, database management, and learning new technologies. Seeking an entry-level Software Developer or Java Full Stack Developer role where I can apply my technical skills, contribute to organizational success, and continuously grow as a software professional.

CORE SKILLS & EXPERTISE

- Programming Languages:** Java, JavaScript ,Python(Basic)
- Web Technologies:** HTML5, CSS3, Responsive Web Design
- Frameworks & Tools:** Bootstrap, TailwindCSS and SpringBoot (Basic)
- Technical Competencies:** Problem Solving, Debugging, Application Development, System Design
- Professional Skills:** Communication, Team Collaboration, Leadership, Time Management, Analytical Thinking

ACADEMIC PROJECTS

- Speech-to-Text Wearable Smart Glasses for Hearing-Impaired (Major Project)**
- Developed a wearable smart glasses system that converts real-time speech into text for hearing-impaired users.
 - Implemented speech recognition using Python on Raspberry Pi to display live captions on a T-OLED display.
 - Integrated camera-based object detection using OpenCV to improve environmental awareness and user safety.
 - Built a portable embedded system by integrating hardware and software components for real-time assistive communication.
- Voice-Controlled Robotic Vehicle (Mini Project)**
- Designed and developed a voice-controlled robotic vehicle using the Arduino Uno microcontroller.
 - Implemented speech recognition with a Bluetooth module to control the vehicle using voice commands.
 - Integrated the motor driver and DC gear motors for real-time wireless movement control.
 - Applied embedded systems, IoT, and C programming concepts to build an interactive robotic system.

EDUCATION

Basaveshwar Engineering College, Bagalkot, Karnataka. BE in Electronics and Communication Engineering CGPA: 7.12	2022 -2026
Disha Pre-University College Of Science, Kalaburgi. Pre-University Course (XI)Higher Secondary (Class XII) Percentage:87.5%	2020 -2022
Excellent English Medium High School, VijayaPura. Secondary School Leaving Certificate (SSLC / Class X) Percentage:92%	2019 -2020

CERTIFICATES

- NPTEL online certification on Introduction to Industry 4.0 and industrial IOT
- NPTEL online certification on Cloud Computing

LANGUAGES

- English (Professional)
- Kannada(Native)
- Hindi(Professional)
